JAWS 2.0 is a rugged, motorized retrieval tool with integral HDTV camera and LED Lighting. It is easy to use, robust and works in any industrial environment, including high radiation* and underwater. JAWS 2.0 is available as a basic kit or as part of an ultimate loose-parts retrieval kit.

**seeing is retrieving!**

JAWS 2.0 is a rugged, motorized retrieval tool with integral HDTV camera and LED Lighting. It is easy to use, robust and works in any industrial environment, including high radiation* and underwater. JAWS 2.0 is available as a basic kit or as part of an ultimate loose-parts retrieval kit.

**robust**
- Aircraft-grade aluminum body
- Stainless steel jaws
- Halogen-free polyurethane cable jacket

**compact**
- Fits through 1.5" (38mm) openings
- Fits through 4" (100mm) diameter elbows

**capable**
- Jaws open 2.75" (70mm)
- Tool submerges to 100' (30m)
- System deploys anywhere on batteries (12 Vdc, 15W NiMH)

---

**Variety of interchangeable end-effectors**

**Compact design accesses the most remote areas**

5" (127 mm) industrial-grade 1080p HD (1920x1080 pixel) color display is sunlight-readable with Gorilla® Glass face

HDMI output allows recording and/or auxiliary display

Joystick operation is simple, easy to use

Controller measures 5×9×2½" (127×229×63mm), weighs 3.1 lb (1.4 Kg)

6- to 8-hr battery with power-save; recharges in 2 hrs.

With three ¼"-20 mounting points, controller mounts to wrist lanyard, neck lanyard, or tripod

---

* Expected dose rate of >100 R/H. Testing scheduled for 1Q19.
### Specifications

#### Basic Kit

**Standard Components**
- JAWS 2.0 HD grabber
- JAWS 2.0 HD display/controller
- Operator manual
- 50' (15m) power/video cable

**Jaws**
- Short serrated jaws (others may be ordered separately)

**Tools**
- Fork and tine
- Flat serrated jaws
- Short serrated jaws
- Sampling cups
- Curved serrated jaws
- Tool adapter
- Needle nose jaws

**Push Poles**
- Qty. 10 (ten): 5' x 7/32" (1.6m x 5.6mm)
- Qty. 10 (ten): 5' x 5/32" (1.6m x 4mm)
- Qty. 10 (ten): 5' x 1/8" (1.6m x 3mm)
- Qty. 1 (one): 6' x 3/16" (1.8m x 4.8mm)
- Qty. 1 (one): 12" x 3/16" (300mm x 4.8mm)
- Qty. 1 (one): 16" x 3/16" (400mm x 4.8mm)
- Qty. 1 (one): 16" x 5/32" (400mm x 6.4mm)

**Push Pole Accessories**
- Quiver
- Tee handle
- Adjustable elbow
- Rubber flex joint
- Spring flex joint

**Misc.**
- Hex keys, screws, hoist lifting ring

#### Ultimate Kit

**Standard Components**
- JAWS 2.0 HD grabber
- JAWS 2.0 HD display/controller
- AC adapter/charger
- Operator manual
- 50' (15m) power/video cable + 50' (15m) extension cable

**Jaws**
- Short serrated jaws

**Tools**
- Qty. 2 (two): Snares: sm, lg
- Qty. 2 (two): Magnets: sm, lg (w/ case)
- Qty. 4 (four): Hooks: sm, med, lg, xl

**Push Poles**
- Qty. 10 (ten): 5' x 7/32" (1.6m x 5.6mm)
- Qty. 10 (ten): 5' x 5/32" (1.6m x 4mm)
- Qty. 10 (ten): 5' x 1/8" (1.6m x 3mm)
- Qty. 1 (one): 6' x 3/16" (1.8m x 4.8mm)
- Qty. 1 (one): 12" x 3/16" (300mm x 4.8mm)
- Qty. 1 (one): 16" x 3/16" (400mm x 4.8mm)
- Qty. 1 (one): 16" x 5/32" (400mm x 6.4mm)

**Push Pole Accessories**
- Quiver
- Tee handle
- Adjustable elbow

**Misc.**
- Hex keys, screws, hoist lifting ring
